

*The most important theme of the autumn. Most injuries at this age come out of a bad stop and nobody teaches it.*

### ON THE GROUND

- 18 cones: six lanes, stop line at 10 metres, 5 metres of run off
- A hurl each

1 minute setup. Set it up before the first group arrives and leave it for all three.

Six lanes with the stop line at 10 metres and 5 metres of run off

### 1 to 6 Movement: two steps to stop

- The middle cone is the stop line. The five metres past it is room to run off, not somewhere to keep going.
- The rule all theme: "Two steps to stop. No more, and no falling over the line."
- 1. "Run at the line." 2. "Last two steps, sink down." 3. "Knees bend, backside back, chest up." 4. "Hold still."
- Eight waves walking, then eight waves jogging. Nobody runs at it tonight.

### 6 to 11 Challenge game: stop on the number

- As each wave runs in, hold up a number of fingers where they can see you.
- They stop on the line and shout the number back.
- If nobody gets it they were watching their feet. Ten or twelve waves.

### Coach one thing: Straight legs at the stop. It should look like sitting down into it.

- Stopping upright and stiff. Stop the lane and show it again.
- Count the two steps out loud with them. Two, not five.

**Lashing rain.** Wet grass makes them skid. Move the stop line in a metre and keep it at walking and jogging pace.
