

Last night of the theme and a match in two days. Watch, do not teach.

ON THE GROUND

- 10 cones, one loop about 25 by 12 metres
- A hurl each

Set it up before the first group arrives and leave it for all three.

One loop about 70 metres round, everybody running the same way

Talking pace, and the question that checks it

0 to 2 Wake up game: shadow jog in threes

- Threes, one behind the other, jogging anywhere inside the loop.
- The leader picks the pace and the direction and the other two copy him exactly.
- Change the leader every forty seconds. Tell them the leader may not sprint.

2 to 11 Movement: the loop with a hurl

- Three goes of ninety seconds at talking pace with a hurl in hand.
- Two minutes walking between, and the walk is part of it.
- Stand in one place and let them come past you. Say nothing.

11 to 17 Finish: who could still talk

- One last go of sixty seconds at talking pace, then stop.
- Walk them in.
- Ask three boys: "On the second run, could you still talk?"
- Tell them the theme changes on Tuesday and it is sprinting.

Coach one thing: Nothing. Find out who has learned the pace.

- A boy who now paces himself without being told. That is the theme having worked.

Lashing rain. No change. Nothing tonight goes on the ground.
