

Last night before Halloween and the last night of the autumn. Let them jump and then let them go.

ON THE GROUND

- 12 cones, six lanes
- 6 mini hurdles, 15 cm
- A hurl each

Set it up before the first group arrives and leave it for all three.

A mini hurdle in the middle of each of the six lanes

0 to 2 Wake up game: copy the jump

- Pairs, spread through the grid. One boy makes up a jump and lands it.
- His partner copies it exactly, landing and all. Then they swap.
- Two minutes. Tell them a jump nobody can land quietly does not count.

2 to 11 Movement: hurdles at match pace

- Waves of six over the hurdle with a hurl in hand.
- Each boy picks his own landing, two feet or one. Ten waves.
- Stand at the side and listen. Say nothing.

11 to 17 Finish: the last waves, then in

- Four free waves over the hurdle at whatever pace each boy likes.
- Walk them in with two minutes left.
- Ask the group to name the five themes: starting, endurance, sprints, stopping, jumping.
- That is the autumn finished. Tell them so, and tell them shapes start in November.

Coach one thing: Nothing. Find out how many of the five themes they can name.

- How many boys can name all five themes without help. That number is the honest score for the autumn.

Lashing rain. Two feet landings only.
