

Ease off night

Code Hurling

Theme Starting

Body shape The sit

Next match Hurling, Saturday 5 September

Last night of the theme. Nothing new, a match in two days, and the sit gets checked.

ON THE GROUND

- 12 cones, six lanes, 15 metres
- 25 discs beside the lanes
- A hurl each

Set it up before the first group arrives and leave it for all three.

Six lanes 15 metres long, a cone at each end, and a disc for every boy

0 to 2 Wake up game: number starts

- They jog. Give the four starts a number and say them once: 1 standing, 2 rolling, 3 sitting, 4 backwards.
- Call a number. Every boy drops into that start where he stands and sprints five metres.
- Eight calls. By the end nobody should need to think about it.

2 to 9 Movement: all four starts, with a hurl

- One wave at each start with a hurl in hand, at match pace.
- Then two free goes where each boy picks the start he likes best.
- No coaching. Stand at the finish and watch the first three steps.

9 to 15 Body shape: the sit, checked

- They should drop into it without a demonstration. Find out whether they can.
- Say only "sit" and count to five. Do that six times across the six minutes.
- Then the hurl held across the shoulders for the last three.

15 to 17 Finish: name the shape

- Walk them in.
- Ask three boys: "What is the shape called, and where do you use it?"
- Tell them the theme changes on Tuesday.

Coach one thing: Nothing. Watch, and find out who knows the shape.

- Any boy who still needs to be shown the sit. Note it, and pick it up inside the next theme.

Lashing rain. The sitting start becomes a crouch start.
