

Last night of the theme, a match in two days, and the bow gets checked.

ON THE GROUND

- 18 cones: six lanes, stop line at 10 metres, 5 metres of run off
- 25 discs
- A hurl each

Set it up before the first group arrives and leave it for all three.

Six lanes with the stop line at 10 metres and 5 metres of run off

2 to 9 Movement: stops with a hurl

- Six waves at match pace with a hurl in hand.
- Then two free goes where each boy runs in at whatever speed he trusts himself to stop from.
- That choice tells you more about what he learned than any of the waves will.

9 to 15 Body shape: the bow, checked

- They should drop into it without a demonstration. Find out whether they can.
- Say only "bow" and count to five. Six times across the six minutes.
- Then the hurl along the back on the last two, and let them check each other.

0 to 2 Wake up game: musical discs

- Scatter the discs through the grid, one for each boy. They jog between them without touching one.
- Shout "bow". Every boy gets to the nearest free disc, stands on it, and holds the bow until you say go.
- Seven goes. Take one disc away each time so somebody is always left out and does five sits.

15 to 17 Finish: name the shape

- Walk them in.
- Ask three boys: "What is the shape called, and when do you use it in a match?"
- Tell them the theme changes on Tuesday and it is jumping.

Coach one thing: Nothing. Find out who knows the shape.

- Any boy still stopping upright after four nights. He needs a quiet word on his own, not in front of the group.

Lashing rain. Keep it at jogging pace.
